You are invited to the VBMS Living Museum. Thanks to our department receiving an Innovative Grant, our Visual Arts students recreate famous works of art--larger than life--which will be on display in our main hallway. Each student has embodied the part of artist, artwork and docent as they "perform" for the viewers. There will be two performances.

**9:30am-12pm Performance During school hours for teachers/staff/students.**

**5:00pm-7:00pm Performance: After School for parents/guardians/community members**

**There will also be a Silent Auction during the evening performance:**

All of the large-scale famous artworks recreated for this event will be auctioned off. All profits made during this event will go towards an art scholarship given to a graduating high school senior that went through the Gifted Visual Arts Program.

Thank you to our Innovative Grant sponsor:
